

A partnership for the future:

Town hall meeting to introduce Legacy Health Partners

Please join us to learn more about Legacy Health Partners!

Legacy Health Partners (LHP) is a partnership between independent, private practice physicians, Legacy Health and Legacy Medical Group. LHP is focused on improving population health through a physician-led, value-driven, clinically integrated network.

Learn more about LHP and the benefits of collaborating with a larger network of physicians by attending a town hall at any of Legacy's hospitals.

Please RSVP to **LegacyHealthPartners@lhs.org**
or **503-415-5109**.
