Randall Children's Diabetes and Endocrine Center 501 N. Graham, Suite 375

Portland, OR 97227

Phone (503) 413-1600

Fax (503) 413-1915

Thank you for your recent referral to Randall Children's Diabetes and Endocrine Center. We have put together the following table which outlines the information we need to start the evaluation of your future referrals. If you are able to send this information <u>along with</u> the original referral, it would be greatly appreciated. Please do not hesitate to call and speak with one of our physicians if you have a question about your patient or whether a referral is necessary.

Diagnosis	Required Records
Short Stature	Bone age**
	Growth charts
	Labs
Delayed Puberty	Growth charts
	Bone age**
	Physical findings of pubertal development
	Labs
Precocious puberty	Growth charts
	Bone age**
	Physical findings of pubertal development
	Labs
Obesity	Growth charts
	Nutrition referral (please refer for nutrition here or advise us if patient cannot be seen by
	our dieticians because of their insurance)
	Labs
Thyroid	Growth chart
	Labs
	Current medications

^{**}Bone ages are recommended when the child is over 2 years of age. If the x-ray is not done at a Legacy facility, please make sure the X-ray is pushed into our PACS system at Legacy or have the film/CD mailed to our clinic.
